

## dirtsuit classic edition

dirtsuit classic edition

Even when it is really ugly outside – with a dirtsuit there are no more excuses. The waterproof, breathable bike one-piece fights rain or mud and takes care of a wonderful mudbath on the trail.

For summer/autumn 2018 the reliable classic of the dirtsuit series gets a new colour: Bright yellow zippers care for visibility. Its robust material makes the suit impervious and the loose fit does not restrict while pedaling. The waterproof stretch-segment on the back provides absolute freedom of movement on the trail and the adjustable belt takes care of a comfortable fit. The area between the legs is enhanced by a seamless, robust material.

The sealed and waterproof seams care for dryness and protect from wind and cold.

Intelligently positioned air inlets easily manage the temperature inside, while wind and weather are kept outside.

The hood that fits over the helmet can be furled and stored in a breath if needed. A reflective detail on the back takes care of better visibility on night rides or for those who end their bike tour at dusk.

RSP 199 Euro

### Specifications

Unisex: grey/yellow  
s / m / l / xl / xxl  
Material: 85% polyamide, 15% polyester  
Insert: 100% polyester

### Features

Award-rain: after winning the German Design Award 2018 for the dirtsuit light edition and core edition and the Design & Innovation Award 2018 for the dirtsuit classic edition, dirtlej may now announce the win of the German Brand Award 2018. The emerging bikelabel was awarded in the category "Industry Excellence in Branding" in the segment "Sports & Outdoor Goods" for its brand strategy. The Award gets tendered by the "Rat für Formgebung" on a yearly basis. The rain may continue.
